Bárány Society

The International Society for Neuro-otology, Vestibular Medicine, and Vestibular Research

Helsinki, October 4, 2026

Dear members of the Bàràny Society,

I am writing this mail to you sitting at the Vanda airport in Helsinki, Finland, waiting for the flight to Beijing, China. I am excited and really looking forward to our upcoming meeting in Shanghai. But before the meeting I will be a tourist and have planned to visit the Forbidden City, the Great Wall, the Terracotta army and many other great sights.

On October 1 the Society launched the website with the educational material for the Bárány Vestibular Medicine Curriculum. You will find it at: https://novel.utah.edu/barany-society-vestibular-medicine-curriculum.

Here you will find a wealth of educational material: videos, lectures, scientific papers and much more. Please, take a look at it, read, learn, and recommend it to all colleagues. You are all invited to share your educational material via the homepage. Contact Raymond van de Berg: raymond.vande.berg@mumc.nl.

And to round up this letter, here is the agenda for the General Assembly Meeting in the Chaoyue Ballroom C on Saturday, October 17 at 3:10 PM. Remember, only ACTIVE members who have paid their yearly membership fees are entitled to vote.

See you soon in Shanghai!

Mikael Karlberg
President of the Bárány Society
